SHRI SATISH AGARWAL (Rajasthan): Mr. Minister, you are laying Annual Reports and Accounts of the Asiatic Society, Calcutta for the year 1989-90 and 1990-91. Are there are reasons for the delay?

SHRI S.R. BOMMAI: A statement giving reasons for the delay in laying the papers mentioned at (a) and (b) is...

SHRI SATISH AGARWAL: You tell us what the reasons are.

SHRI S.R. BOMMAI: The Asiatic Society was not functioning regularly. It was not cooperating with the Auditors. The Govenment went to the extent of giving notice to the Society. They were not accepting even some modifications. Therefore, the Govenment is thinking seriously of taking further action.

SHRI TRILOKI NATH CHATURVEDI (Uttar Pradesh): Madam, this is a very important issue. The Asiatic Society is a 250-year old institution. It has done so much of research in the country. It is

very serious that they are not cooperating with the Government and also with the Audit. I think much more drastic action should be taken. Many manuscripts and valuable items had disappeared and were being sold in the United States. that is why this is an important matter and it needs much more serious and personal attention than merely laying the Reports in the House.

DR. BIPLAB DASGUPTA (West Bengal): Madam, as far as I know there were many allegations about the misuse of assets and all that. But very recently there has been a change in the administration. Perhaps there will be a more favourable response from the new authorities.

SHRI S.R. BOMMAI: Elections were not held at all for many years. But they have been held recently. In spite of that I have given notice to the Society because there were certain lapses. The Government has already given notice.
